## Message From National Publication Director

This is the first time for me to write the editor message for the Harbour Lights. I would like to thank the trust from National President Senator Gene Tang and National General Legal Counsel Senator Benny Lam to me.

In our feature story, we have invited different Past National Presidents to share their JC stories. In the past 59 years, young JCI leaders devoted their prime time to JCIHK and built a solid base for us to grow today. I feel proud to witness the 60th Anniversary of JCIHK and have the chance to serve.

To a "new father" like me, the most challenging task is to collect articles and finish the whole issue within a rather short period of time. After finished this issue, my pleasure as if the birth of my new born baby Sharon. I would like to thank for the assistance from Senator Yvonne Wong. Her experience in the Harbour Lights facilitates my work to a large extent. Of course, I would like to thanks for the contributions from my team mates in the National Board, the support from local chapters and Artist Printing & Design Co. Ltd. Ms Dicky Pang. Without all your effort, we won't have such a fruitful content in this 2010 first issue.

## Message From National President

As I am about to undertake the honorable duties that I have been elected to be the National President of JCI Hong Kong, I would like to express the gratitude for your confidence and trust you have bestowed. Thanks for the zealous dedication of our past presidents and all members in the past 59 years, JC members today celebrate the 60th anniversary with pride and remain faithful to the ideals of our forbearers, and true to our Creed.

Every year, we organize more than 300 projects amongst our 19 chapters. In addition to the flagship Ten Outstanding Young Persons Selection, JCI Hong Kong continues to take the lead in building a better world, a better Hong Kong, by echoing the United Nations Millennium Development Goals. We aim to arouse the awareness of the eight Goals among corporations in Hong Kong and seek their support to attain such meaningful Goals.

We aim to nurture young leaders and take the advantage of starting such training in local junior high schools. Working with the Labour and Welfare Bureau of the HKSAR, a tailored program will launch in mid-2010 for the development of the ethical values, positive attitude and mindset of young talent in building a better future.

Through our strong global network, JCI Hong Kong acts as a bridge for JC members in different countries to explore and experience the fast growing mainland China by taking the opportunity to visit the World Expo to be held in Shanghai in 2010.

Year 2012 shall be a special one for JCI Hong Kong. We shall host ASPAC again if we could successfully bid in the Singapore ASPAC this year. Let us all go to Singapore and bring the glory to JCI Hong Kong!

There are three words in our JCI Creed that I found crucial:

"We believe" and "Faith"

These three words remind us that we must have faith in what we believe in!

We believe in the ability and capacity of our young and energetic members!

We believe that our members can create positive change in the community!

We believe that we can create a better future for our next generation!

We believe that together we can create a better world!

Together, WE prevail!

# 60 years of Junior Chamber International Hong Kong

## The Ages that we are proud of

**1952-1953 National President**  
**Honorary Life President**  
**A. de O Sales**

50s

Young people should be on the look-out for any opportunity that JCI may make available to them by its own activities whether they be Area or Regional Conference and the World Congress, even generally any other major meetings that may be convened.

It is through such occasions that Jaycees make friends not only from their own activities but in particular through meeting distinguished men and women who became available through overseas attendance at local major meetings, apart from Regional Conference and more so through the World Congress.

It is not surprising that young people engaged in such activities find the opportunity to move about freely and to meet men and women who have achieved the highest status through taking part themselves in such World Congress or Regional Conferences.

◀ "A Better World Tomorrow Through Jaycee Training Today" - Theme of 1966 JCI Conference in Hong Kong.

▶ For the first time in Hong Kong, two toys libraries for children were set up by Jaycees in Tze Wan Shan and Tuen Mun.

▶ President A de O Sales and Mrs Sales were greeted by the Governor of Hong Kong and Lady Grantham.

◀ Extracted from Standard-Sing Tao The Hon R Todd, Secretary for Chinese Affairs, opened the Children's Library together with acting Hong Kong Junior Chamber of Commerce President A de O Sales on Jun 12, 1951. Over 5,000 books were donated!

▶ The Brotherhood of JC during PNP Silva's time.

▶ Young JC member gathered together to serve JC since the old days.

## 1954 National President Roger Lobo

50s

Fifty-five years ago the world was not what it is today though problems which people face remains an important issue in particular to the Jaycees and the Jaycee Creed spells out clearly what young men of action must not forget.

When I took the gavel from Honorary Life President A. de O. Sales in 1954, Hong Kong was recovering from the World War and had much to do with increasing population, refugees from various places and children who had no proper medical attention, no schooling, and no playground among other problems.

The Jaycees found that young people did not have their second set of teeth growing for lack of calcium and we endeavoured to start "fluoridation" of water for their better health. They had no book so we started to establish Jaycee Libraries including "Floating Libraries" (books on junks) in various areas where fishing boats and floating homes were anchored.

We provided Christmas Parties on playgrounds for the young and took the blind to experience walking bare-feet on beaches and have sea water on their feet.

We hired children from the parents at 50 cents per afternoon as cottage industry workers producing plastic flowers and the like which provided additional meager income to the family, so that the children could have a day off and play with others.

Today the situation is different but all the Jaycees believe in the brotherhood of men; economic justice; government of laws; service to humanity and other tenants of our Creed and believe and practice these principles in their daily lives.

In 1954 while serving the community, we also worked hard to host the 1954 4th JCI Regional Conference for Asia here in Hong Kong.

I extend to the young women and men of today my good wishes for their success, their service to the community and leadership now and in the future.

## 1966 National President Frederic A. (Jim) Silva

60s

I suppose the reason I was elected the National President in 1966 was due to my successfully organizing and establish a second local chapter the year before – the Kowloon Junior Chamber.

My year as National President was spent in an endeavour to get all Hong Kong Jaycees used to the new set-up. We had our first "Convention" with two local chapters under a National authority. We then had to devise rules for responsibility and procedure to accommodate a new hierarchy.

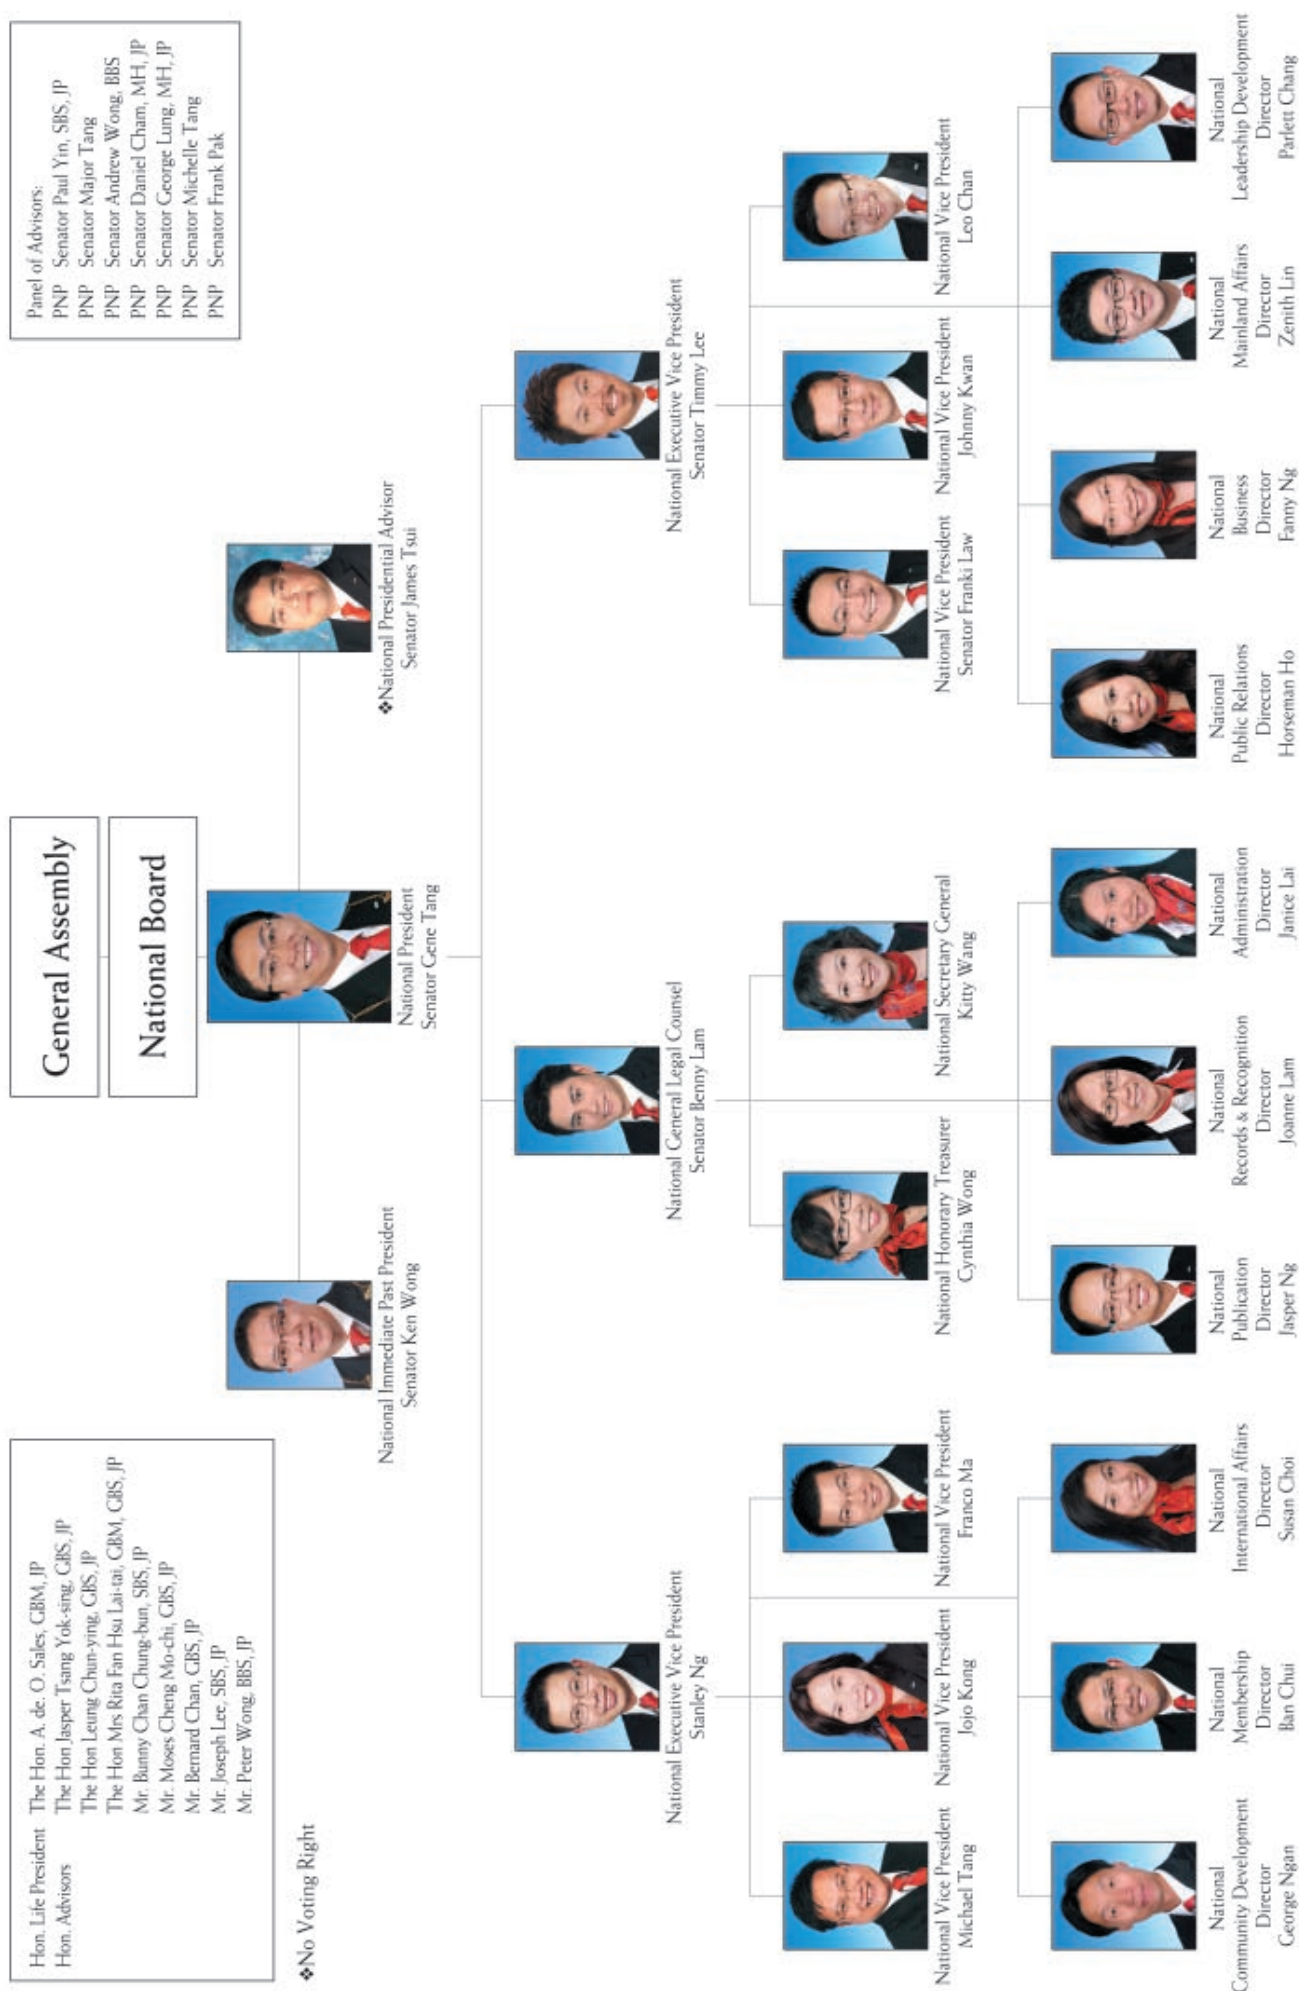

After basics were established, we knew the Chamber would then be in a position to expand and grow – which it did soon afterwards with another chapter established, the Island Junior Chamber. The base was laid for growth.

During my year there was a successful Regional Conference held in Hong Kong. All chapters continued with their own projects and programmes – stressing leadership training and community service.

I was proud of the work we did and heartened by the friendships I made.

P.S. I claim that I was the member who named our publication – Harbour Lights!

## Public Relations

### Calling for JC Starz

In order to better promote JCIHK to the public and to generate awareness for our 60th Anniversary, the National Public Relations Team hereby sincerely invite each chapter to assign 1 – 2 members as "JC Starz" to assist in the PR area and to promote JCIHK in 2010. The JC Starz should be an outgoing person and has the passion to promote JCIHK. They will work closely with the NPR Team to better promote JCIHK to the public, this will involve inviting media to our events and act as a "Star" to introduce JCIHK to other organizations.

It will serve as an educational material for other organizations to better understand JCIHK. The directories will be distributed to Government departments, NGOs and various media.

### PR e-newsletter

## 「我們愛讀書」之「貴州愛心之旅2009」

你聽過「世界上最動聽的歌聲」嗎？去年10月23至28日，半島青年商會17位會友參加了「貴州愛心之旅2009」，在貴州印江縣便聽到這樣的歌聲。沒有音樂的伴奏、沒有華麗的舞台，卻聽到一陣陣優美的旋律，道出一絲絲的感謝！他們的歌聲震動了整個操場，亦感動了所有的團友的心。「十年助學，儘管辛苦，值得也！」

「我們愛讀書」工作計劃為貴州學童籌建校舍及助學已籌辦10年了！今年，半島會友一如以往親赴貴州探望學童。活動包括：主持奠基、落成儀式、派發助學金及文具，藉此機會與學童們多作溝通。除此之外，會友們亦經歷了不少他們的第一次，包括：於泥路上推動巴士、教授學童摺出愛心。這都是一個非常難忘的回憶。

近年全球關注地球氣候暖化的問題，多國都倡議加強能源效益，採用清潔能源，減少依賴石化燃料，推動以低耗能、低污染為基礎的低碳經濟。海港青年商會2009年籌辦的第三十三屆周年晚會，特意以「碳中和」為主題，整個晚會的籌辦過程都著重減低碳的排放，例如用FSC紙印製的紀念特刊、減少不必要的小禮物、多菜小肉及利用能進行生物降解的膠袋等。至於一些不能避免的碳足印，我們便利用金錢資助可再生能源的發展，長遠而言達致對沖、間接中和的效果。希望各來賓日後能加強關注減少日常生活的碳排放，以確保環境的可持續發展能力，讓生活更美好。

## 「開放型・智慧型，愛地球嘉年華會」

環境污染、全球暖化問題迫在眉睫，為進一步提倡環保及支持聯合國千禧發展目標中的「保持環境可持續性」，太平山青年商會在2009年10月18日主辦的「開放型・智慧型，愛地球嘉年華會」，是以環保教育為題的活動。嘉年華會以全港5-8歲的小朋友為對象，透過攤位遊戲，教育小朋友對環保的認識。

短短兩個半小時的嘉年華會，成功吸引逾300名參加者。我們把環保教育融入遊戲之中，以趣味洋溢的互動攤位，令參與家長及小朋友熱情投入。活動大使李紫昕在嘉年華會上，獻唱仙樂飄飄處處聞的Do Re Mi，更把全日氣氛推至高峰，全場參加者均隨歌拍掌，並隨著節奏擺動身體。

嘉年華會獲得各單位，以及參與家長和小朋友的正面反響。活動成功舉行，有賴明愛康復服務的協辦，九龍城民政事務處及香港童軍總會維多利亞城區的支持，以及各贊助商的慷慨贊助，包括荷花集團、時富財富管理有限公司、Dr. Kong及wxy-shop.com。

The Dragon Apprentice series proved to be a great success. It allowed members of DJC, old and new, to pass on their knowledge and experience by sharing them with tomorrow's leaders. Unanimously, those who took part found this to be an exceptionally fulfilling and worthwhile experience, on both sides of the series.

Organizing the workshops provided newer members of DJC to satisfy the requirements to gain full membership, as well as giving older members the chance to see how

their fledgling members have developed over time. Undoubtedly, all members of the organizing committees were able to take something from their time together and build upon their skill sets.

Working with younger members of the community also provided great overall satisfaction. Witnessing these enthusiastic minds with fresh ideas and boundless energy vitalized everyone involved with the project. Guiding the youngsters and providing them with a foundation to excel

later on in life added motivation and it was particularly pleasing to see that they responded in entirely the best way possible - by fully absorbing the guidance on offer and taking advantage of every opportunity to turn it into a learning experience.

The success of the Dragon Apprentice will undoubtedly be run again in 2010. We expect the Dragon Apprentice will be bigger, better and more profitable for all!

另外，本會十二月份月會暨全年頒獎典禮已於2009年12月9日順利完成。當晚，我們頒發獎項嘉許一眾於2009年為城市努力及表現出色的長中青兄弟。是晚的高潮莫過於在110多位嘉賓及參與者的見證下，由永遠名譽會長余振宇參議員主持簡單而隆重的會長交接儀式。會長在卸任的一刻，感謝這年來每位支持他走過這段路的總會會長、分會同學仔，前會長、城市兄弟、朋友以及親人，場面溫馨動人。

## CD Project : "Joy with Pets" Shooting Competition

"Joy with Pets" series are the well – known pet caring project in JCIHK organized by Queensway JC. Having positive reports from newspapers and News Channel about the event, we once again worked in collaboration with PetMax, the largest-scaled pet department store in Hong Kong, to strive for a higher goal to implement our aim of community development in 2009.

Under the economic difficulties in Hong Kong, Hong Kong citizen are under enormous pressure these days. Joy is an effective tool to alleviate pressure – via this event. Queensway JC successfully gathered pictures and videos capturing joyful moments with pets and such joy was brought to the public by holding this competition. This is the main objective we always bare in mind when we designed the event content.

By displaying the pets pictures and videos, Queensway JC hence successfully highlighted the importance of a harmonious relationship between pets & humans. As a result, public awareness of animal protection had been raised, especially that among young people.
