Message from National Publication Director

Time flies, it comes to the 3rd Issue of Harbour Lights. Like previous years, you can see the third issue during National Convention – the big Annual General Meeting of 19 chapters in Junior Chamber International Hong Kong. It is also the time to evaluate our performance in the past 9 months. Therefore, one of the major events during the National Convention is Award Banquet. This is also the moment we really feel proud of ourselves and recognize the JCIHK Presidential theme 2010 “Be Proud, Be a JC Leader”.

When you are reading this issue, I think you should be in a comparatively relax manner. Why? It is because major projects have been completed in the 3rd Quarter. It's time for us to review and prepare ourselves for next year because September and October are the “AGM months”. Many chapter leaders are elected in these two months. I wish you all the success.

Message From National President

Celebrating the 60th anniversary of JCI Hong Kong not too long ago, it is now time to recognize the contributions and efforts of our fellow members in the past months. We truly have to seize the day and opportunities in order to realize our dreams.

Thanks to the keen dedication of all the members of the 19 chapters, there are more than 300 projects organized every year. This is a very impressive figure. Through which it helps extending our care to the community as well as developing our young leaders. Through such a wide range of projects, we are delighted that the public awareness of JCI Hong Kong has been well-enhanced.

In addition to the flagship Ten Outstanding Young Persons Selection, JCI Hong Kong continues to take the lead in building a better world, a better Hong Kong, by echoing the United Nations Millennium Development Goals. We aim to arouse the awareness of the eight Goals among corporations in Hong Kong, and seek their support to attain such meaningful Goals. Uniting the effort of all the 19 chapters and extending such effort to other organizations including governmental, commercial organizations and the public, we are moving a giant step closer to building a better world.

To sustain a better world, we need an enthusiastic younger generation with vision. We are confident that the successful Change Maker Forum held in May sowed the seeds of caring for the community and positive living attitude in the young hearts.

Year 2010 has been a very special year for JCI Hong Kong. In this 60th anniversary which symbolizes a new beginning in the Chinese culture, the concerted effort of all chapters and dedicated members help JCI Hong Kong glitters like a diamond and yet continues to grow with fresh ideas.

Year 2012 shall be another special one for JCI Hong Kong. We shall host the Asia Pacific Conference (ASPAC) again in Hong Kong upon the successful bid in Singapore ASPAC by 233 members this year. We all look forward to visualizing the magnetic power of uniting all the members for preparing such an exciting regional flagship event.

On behalf of JCI Hong Kong, I would like to express my sincere gratitude to all the contributing members and supporting organizations and parties. I believe we all have earned valuable experience throughout the times.

'The wisest mind has something yet to learn.' We not only aim to nurture young leaders, we also aim to develop an attitude for life-long learning. I wish JCI Hong Kong continues to be the leading global network of young leaders!

Be Proud. Be a JC Leader.

60

years of Junior Chamber International Hong Kong
The Ages that we are proud of

1984 National President
John Chan

80s

1984 was a significant year in membership development for Hong Kong Junior Chamber of Commerce. After a year of development work by two groups of dedicated assigned officers, two local organization members were chartered. They were the Queensway Jaycees and the Macau Jaycees who formed as the 14th and 15th LOM of the NOM. What made this more special and meaningful in the history of the Junior Chamber movement in Hong Kong was the extension of the Jayceism into another territory outside Hong Kong, our neighboring city, Macau.

Internationally, we were honored and excited that Past President Jennifer C.W. Yu of Hong Kong Jayceettes was elected as one of the 1985 JCI Vice President at the 1994 JCI Montreal World Congress and National President John W.H. Chan of Victoria Jaycees was elected as the 1985 Chairman of the JCI Asian Pacific Development Council at the 1994 JCI Kuala Lumpur ASPAC Conference.

All the LOMs had a good structure throughout the year and were financially sound. Everyone has done extremely well in both membership recruitment as well as service projects. A wide range of the leadership development programs and community service projects were organized which benefitted not only the participants, but our own members as well.

The Sino-British Joint Declaration for the future of Hong Kong was signed a year before, the NOM organized a seminar on "Representative Government & Youth Participation" during the 19th National Convention to explore and discuss how the youth of Hong Kong could involved in this change and be a responsible citizen. This was one of many successful NOM projects organized and held in the year apart from the traditional activities such as Inaugural Ball, Jaycee Week, Sports Day and TOYP Selection.

▲ Senator John Chan was elected as 1985 APDC Chairman.

▲ 1982 Ten Outstanding Young Persons Selection Award Presentation.

▲ The first-ever JC delegation to visit Beijing, received by All China Youth Federation.

▲ Forum on Basic Law and Future of Hong Kong.

▲ Davis Kwong of Queensway Jaycees won the second runner up trophy at Public Speaking Contest at the JCI Yokohama Conference.

▲ NP Daniel Cham joined the UK delegation to take part in the "International Model United Nations" organised by the UN and JCI. JC delegates and NGO representatives from all over the world took part in the 5-day event in the UN Headquarter.

▲ Over 250 high-spirited Jaycees dashed to 18 different locations to promote voting in maiden direct election into the Legislative Council on Sep 15, 1991.

▲ Over 150 delegates attended the JCI Cheju Conference.

▲ Visit to Beijing All China Youth Federation.

▲ NP Spencer Suen visited the site of "School of Hope" Primary School in Guangxi.

1991 National President Daniel Cham

The theme of 1991 was "Our Hong Kong, Our Concern" (香港是吾根，關懷情至深). It was the first time that NOM organized to organize the JCI "PRIME" training programme and 14 members were qualified as the first batch of JCI certified trainers in Hong Kong. We formed An Ad hoc Committee on Training to recommend long-term training strategies. The recommendations made by this Committee were adopted and a "Training Department" for the long term development of training was established and later it has evolved to the current "Training and Development Council"

In the Community Development, we have initiated to organized a large scale theme project called "One plus One, Support election 91" in response to promote civic involvements to support the first Direct Election of the Legislative Council in the history of Hong Kong, in which over 300 high spirited JC members from all the 17 chapters dashed to different districts and locations to promote voting. Mr. Michael Suen, Secretary for Constitutional Affairs and Miss Hong Kong had officiated at the ceremony. The project was well covered by the mass media and this project has enhanced the image and statues of JC in civic involvements.

We also jointly organized the youth event "Youth In Action - 青年行動，我做得好" with other youth or voluntary organizations. Movie Stars and celebrities had taken part in this grand event.

Internationally, I represented Hong Kong in the United Kingdom delegation to attend the "International Model United Nations" organized by JCI and the United Nations from July 28 to August 2 in the UN Headquarters in New York City. The theme was "Age of Global Citizenship". JC delegates and Non-Governmental Organizations representatives from all over the world took part in the 5-day event. Over 40 resolutions on "Children Future", "Economic Development" and "Environmental Protection" were adopted and were passed to United Nations and its relevant agencies for consideration and follow up. I was elected as 1992 JCI Asian Pacific Development Council Chairman at the JCI Cebu Asian Pacific Conference while Senator Stephen Chan was appointed as Special Assistant to JCI World Presidents for Finance and Sponsorship in Area B and Senator Connia Chu Lo was elected as the Director of the Asian Pacific Senate Board at the JCI Cebu Asian Pacific Conference.

2000s

The focus of JCIHK during my year of presidency is the 4Ms – membership, marketing, media and management. Both of the projects organized by JCIHK and local chapters served the 4M purpose. We encouraged local chapter to extend their network to both government departments, NGO and local community. Year 2005 is a memorable year to me because it was the 55th Anniversary of JCIHK. Mr. Jaycee Chan was invited as our ambassador. During Sept 19 to Sept 26 2005, we hosted a JC week which included UNMDG forum, LD seminars, Business Forum as well as our National Convention.

JC Library was first established in year 2005 and it provided a tidy place for local chapters to search their historical documents. The library contains also the treasure to our members.

In Business Area we have organized "The Art of Building your Own Business" Seminar, CEO Forum as well as the Best Business Plan Contest etc. In Community Development Area, we have organized "Better Hong Kong, Together We Care" project that promote the United Nations Millennium Development Goal. Our Community Concern Group has organized two forum – Expectation to New Chief Executive and The Youth's Opinions to Policy Address. Internationally, we had more than 300 delegates to joined the 55th Asia Pacific Conference in Macau. In the Leadership Development Area, we have invited Mrs. Rita Fan, GBS, JP and famous director Mr. Ko Chi Sum to give us parliamentary procedure and branding training.

In the Vienna World Congress, JCIHK has won the Best NOM Award. I feel proud as a JC member.

A momentous day for JCI Hong Kong

JCI Hong Kong made their presence known at the JCI Asia Pacific conference in Singapore this year with winning the bid for hosting the upcoming 2012 JCI ASPAC.

2010 marks an important year for JCI Hong Kong as they celebrate all-year-long for the 60th anniversary of their national organization's establishment. All 19 chapters dedicate special effort to applaud the diamond anniversary, but the greatest brilliance in this diamond which celebrates the 60th anniversary of JCI Hong Kong owes to their winning of the 2012 JCI Asia Pacific Conference hosting right.

On June 6th during the closing general assembly, with the undivided support of the Hong Kong Tourism Board, JCI Hong Kong delegates moved the room as a tremendous flag-waving crowd of 230 delegates, lined along all walls of the room, uniformed in pink, presented their noticeably rehearsed cheer routine for the 2012 JCI ASPAC to be held in their home soil. Once National President Senator Gene Tang made his bidding presentation on stage, the motion was adopted in virtually just seconds on the floor with fellow JCI national members raced to wave their voting sticks up in the air at the highest of their reach in support for JCI Hong Kong getting the bid.

JCI Hong Kong awards at 2010 Singapore ASPAC

In the five days in Singapore, all 233 Hong Kong delegates from all 19 Chapters joined together and contributed in the promotion efforts for the bidding for the hosting right of 2012 JCI ASPAC! A Big congratulations to JCIHK for having successfully been awarded the hosting right for 2012 JCI ASPAC!!

JCI HONG KONG was awarded for their continuous efforts towards Junior Chamber International, the local society, and most importantly, they are recognized for their remarkable contributions to the global population at large. The JCI Asia Pacific conference is a conference for JCI members in the Asia Pacific region held annually in different countries every year. Attending members will have the opportunity to enrich their knowledge by participating in general assemblies, where national officers depict the organization's status in echoing the United Nations development goals for a better world and report the development work in each of the JCI national areas, and attend individual development training seminars conducted by their very own internationally qualified trainer in the JCI trainer scheme.

Every year, this event brings 3 to 4 thousand visitors from all across the Asia Pacific countries to the hosting city, bringing about tremendous economic booster to the retail as well as tourism businesses in and around city for the duration of the 4 days of conference, plus the likelihood of the extended 3 days before and post event touring.

It will be the third time in JCI Hong Kong history for hosting the JCI Asia Pacific Conference, when the last experiences of the same event happening in Hong Kong were in 1979 and 1972, almost 31 years ago.

As the former England star captain of the World Cup 2010, David Beckham claim that winning the right to host the World Cup would serve to inspire a new generation of home-grown English footballers, so too would JCI ASPAC in Hong Kong to all local young individuals. The member-operated event will be a golden opportunity for them to gain the valuable experience of hosting a 4000 participant international conference.

The preparation work has already begun for the arrival of this big event in 2012. JCI Hong Kong has their working hat on and pledged a jaw-breaking impressive JCI ASPAC for all members.

Change Maker Forum

The largest recruitment seminar in 2010 "Change Maker Forum" has been successfully held at Jockey Club Auditorium, The Hong Kong Polytechnic University on 15th May 2010 with around 450 participants attending, out of which 50% were non-JC member.

That night, Professor Ma enlightened young people with a meaningful message "修身、齊家、治國、平天下". Also, Ms. Tang Siu Lam, Mr. Kan Yiu Kong and 2009 TOYP awardee Cheng Ka Ho shared their experience how a volunteer can contribute to the community.

Furthermore, 4 members shared how they obtained valuable experience from JC. Last but not the least, our facilitator CK Lee gave us a succinct but precise summary on the messages delivered by our speakers and introduced the mission and vision of JCI to audience.

After the seminar, organizing committee arranged a free night buffet for participants which is a golden opportunities for new comer to know more about JC.

NP Table

The NP Table has been organized once per month since January this year. The theme of NP table is to enhance the communication between newly inducted members in 19 chapters and National President. Besides, it gives a chance for our new members to talk to our National President directly. The purpose of this function is to enhance relationship between National President and fellow members.

We believe that the NP Table could be a good platform to directly transfer valuable JC knowledge from National President to members. The event also improves members' understanding towards

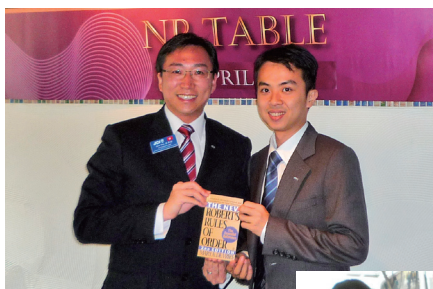

JCI and JC protocol. This also serves to strengthen fellowship and bonding of

JCIHK members. The NP Table is also a good tactic for membership extension.

On the top of the NP table, JCIHK membership team has also worked hard for Prospective Member Orientation (PMO). We would invite experienced JC leaders to share with our prospective members so that they can know more about the organization they join and enhance their sense of belongings.

Membership team would like to express our sincere gratitude to National President for his continuous support over the year.

International Exposure From JCI

Over the past few months, Island Junior Chamber has taken full advantages of the International Opportunities that JCIHK provided. During April, we were off to Beijing to learn about our motherland in the China Youth University for Political Sciences. During the beginning of June, Islanders went to Singapore to attend the Asia Pacific Conference (ASPAC) and in July we wrap things up by hosting our Business Network Gathering II with a business exchange trip to Jiangmen.

All these International exposure are only possible with the platform set by JCI and by attending these overseas event, our members can really take full advantage of 4 areas of opportunities. Not only we get to meet new and old friends, these trips also bring us non-stop learning mainly from the interactions with our new friends and being in a new environment also broadens our horizon and remind us the importance of international exposure.

Beside our overseas trips, it is the month of September and we must not forget it is AGM season in JCIHK. As usual, Island

Junior Chamber has held its AGM at the end of August and we are pleased to announce that our member Drago CHAN has been successfully elected as the President of 2011 leading us into our 45th year. More events are coming at Island JC so stay tuned!

The competition was first launched by HKJTT in 2005 and has drawn scores of participants and media attention with the promotion all over the press, buses, MTR subway, and TV. The top ten contestants who made it through the screening stage appeared in front of a star-studded panel of judges comprised of Mr. Patrick Dunn, Mr. Derek Li, Mr. Vinci Wong, Mr. Sean Lin, Ms. Janae Chan and Ms. Amanda Fok in Citywalk on

18 July 2010. The finalists were first asked to perform solo on a topic of their choice. Each contestant was immediately given a critique of their performance by the judges. In the second part the contestants were paired up randomly to make a 5-minute presentation with their partner. The contestants were not intimidated by the challenge at all and delivered impressive performance. They had obviously mastered the tips given by Mr Li Chan-wing, Ms. Shirley Cheung, Mr. Gary Wong and Mr. Ben Fung at the pre-competition seminar held on July 3. After two rounds of keen competition Miss Lam Ka-yiu, an undergraduate student from Hong Kong Baptist University was named the 2010 Champion of Hong Kong Master
